

Enroll for technical
vocational and skills
training!

Upskill within a field of expertise
Empower yourself to find
employment
Find a sense of self-worth
through learning and education

Mfesane seeks to capacitate,
equip and inspire communities
with knowledge and skills,
and facilitate opportunities
to improve their economic status.

By providing skills training
for financially disadvantaged,
unskilled and vulnerable people
in our communities, we see the
emergence of skilled artisans
who can take advantage of
employment opportunities and a
better position in the labour market.

We also see the growth of
sustainable projects and betterment
of living conditions, uplifting
communities and building our
nation.
